Rules at the Pool

Hi, I'm Daniel, and I am a junior lifeguard at the town pool this summer. Before you jump in, here are some rules.

First, you must take a shower before you swim. You mustn't run near the pool, because the floor is wet and you can fall. Little children must stay with an adult all the time. You mustn't eat or drink in the water.

Here is some advice, too. You should wear sunscreen and a hat when you are in the sun. You shouldn't swim right after a big meal. And if you are not a strong swimmer, you should stay in the shallow end.

Do you have a question? You can always ask me or one of the lifeguards. Have fun and stay safe!
