### A New Boy in Class

Last week a new boy came to our class. His name is Ariel, and he is from Beersheba. His family moved to our town because his mom got a new job at the hospital.

On his first day, Ariel looked a little shy, so our class decided to interview him. Shira asked, "How old are you?" He is twelve. Ben asked, "What do you like to do?" Ariel loves drawing comics and playing basketball. Then Omer asked, "How many brothers and sisters do you have?" He has two older sisters and a baby brother.

Now Ariel sits next to me in English class. He draws funny pictures of our teachers, and he is already on the school basketball team!
