The Class Trip Vote

Class 6A is going on a trip, and the children are voting for the place. There are three choices: the zoo in Jerusalem, a water park, and a nature reserve in the north.

"The water park is the most fun," says Itay. "It's hotter in June, so water is the best idea!" Maya doesn't agree. "The zoo is more interesting than a water park. We can learn about animals." Ben likes the nature reserve. "It's the most beautiful place, and it's quieter than the other two."

The teacher counts the votes. The water park gets 14 votes, the zoo gets 10 votes, and the nature reserve gets only 6. The water park wins! But the nature reserve is the cheapest choice, so the teacher says, "Next year we are going to go there."
